State Route 1-Cabrillo Highway One-Way Traffic Controls Starting July 27th

SAN MATEO COUNTY – The California Department of Transportation (Caltrans) will be resurfacing sections of the roadway on State Route 1-Cabrillo Highway in San Mateo County near the San Mateo/Santa Cruz County Line. The work will repair and improve sections of roadway that have deteriorated over time.

To ensure worker and public safety, one-way traffic controls are scheduled to start in that area beginning Friday, July 27th at 11 a.m. The work is scheduled to conclude in Mid-September 2012. All work is weather permitting.

Lane Closure Times and Locations

During one-way traffic controls, one lane of traffic on State Route 1-Cabrillo Highway will remain open while the other lane of traffic will be closed between just south of Whitehouse Canyon Road and the San Mateo/Santa Cruz County Line.

The work will start on Friday, July 27th and conclude in Mid-September. During the work, alternating lane closures may be scheduled during daytime and/or nighttime hours. Work is scheduled Monday through Friday.

Crews will help direct motorists and alternate lane closures in both westbound and eastbound directions. Caltrans will also install changeable message signs. Motorists should allow for extra travel time.

Please drive cautiously through the construction zone and leave a safe traveling distance between your vehicle and the vehicle ahead of you. Caltrans appreciates your patience as we work to improve the highways. Please remember to “Slow for the Cone Zone.”
